There'll Be Some Changes Made

By WILSON & RINGLE

1. There's a change in your manner
And a change in your way
There was time once when you was O. K.
You once said you saved ev'ry kiss for my sake
Now you're giving all the girls an even break
I'm gonna send out invitations to the men I know
Cause you're gettin' colder than an Eskimo
I must have my lovin' or I'll fade away
There'll be some changes made to-day
There'll be some changes made.
2. For there's a change in your manner
There's a change in your style
And here of late you never wear a smile
You don't seem to act like a real lover should
You can't thrill your mamma if you're made of wood
I gotta have a man who loves me like a real live Sheik
With a tasty kiss that lingers for a week
I'm not over sixty so it's time to say
There'll be some changes made to-day
There'll be some changes made.
3. For there's a change in your squeezin'
There's a change in your kiss
It used to have a kick that I now miss
You'd set me on fire when you used to tease
Now each time you call I just sit there and freeze
You had a way of making love that made a hit with me
One time you could thrill me but it's plain to see
You're not so ambitious as you used to be
There'll be some changes made by me
There'll be some changes made.
4. There's a change in the weather
There's a change in the sea
From now on there'll be a change in me
I'm tired of working all of my life
I'm gonna grab a rich husband and be his wife
I'm going to ride around in a big limousine
Wear fancy clothes and put on plenty of steam
No more tired puppies, will I treat you mean
There'll be some changes made to-day
There'll be some changes made.
5. For there's a change in your manner
There's a change in your smile
From now on you can't be worth my while
I'm right here to tell you with you I'm thru
Your brand of lovin' will never do
I'm gettin' tired of eating just butter and bread
I could enjoy a few pork chops instead
You know variety is the spice of life they say
There'll be some changes made to-day (I'll get mine)
There'll be some changes made.

They say the old time things

But I've found out that this will,
That may be ver - y good for

all the rest —

When you grow old you don't last long —
But I'm goin' let the old things be —
